FIDELITY COLOR-KEYED PULL DRAWERS

for fast, efficient, color-controlled filing

The prettiest, cheeriest, most practical record files ever! They're the same sturdy corrugated fiberboard Pull Drawers you see on pages 4 and 5, with the addition of decorator colors to speed your record filing and finding.

For example, store correspondence in the red file, statements in the blue, expense records in the green, etc. The convenience is obvious. The color coding possibilities are endless.

Or, set up a cyclical records destruction program based on color-coding. You'll quickly put an end to lost time and expense of constantly rearranging inactive records.

You'll find hundreds of uses. Try 'em.

Small parts storage problem solvers

FIDELITY PLASTIC PARTS BINS

come in 5 sizes with or without clear plastic covers

Super-impact Styrene Plastic Bins are shock resistant, won't rust or warp, are impervious to oil, grease and most other chemicals. Offer years of trouble-free service.

Bins can be stacked on steel shelving (see below), or their special "stack 'n lock" design allows independent stacking. Either way gives you easy access to stored parts. Handle doubles as oversized contents label. Pressure sensitive labels are supplied FREE. Tabs on rear of bins allow hanging on most straight rails. Clear, dust-tight plastic covers are available for all sizes. Choice of four colors for practical color coded storage.

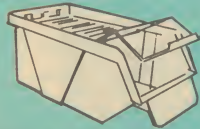

Stack up and lock to save space (A slight downward pressure locks bins into modular storage units)
